

TEXAS Watershed Steward

The Texas Watershed Steward program is a free, educational workshop designed to help watershed residents improve and protect their water resources by getting involved in local watershed protection and management activities.

**March 3, 2022:
1:00 pm - 5:00 pm**

Kleberg Park Recreation Building/Expo Center
501 E Escondido Rd
Kingsville, TX 78363

In-Person & Virtual Attendance Options Available
Preregistration Required

The workshop will provide an overview of water quality and watershed management in Texas, including a discussion on the Petronila & San Fernando Creeks watershed. Efforts by the Texas Water Resources Institute, and best management practices local stakeholders may use to help improve and protect their water quality, will be highlighted. Free continuing education credits/CEUs offered for a wide variety of professional disciplines. For a complete list of continuing education offered, or to register, visit our website or call the number below.

Pre-register for the workshop by going to:
